**PUNJAB PLANNING AND POLICY SUPPORT PROGRAMME (P3SP)  
SAHIWAL DIVISION REGIONAL PLAN**

**INFRASTRUCTURE SECTOR REPORT**

8

**DAY CARE CENTRE**

**Introduction and Background**

Under the P3SP Regional Plan Endeavor it was envisaged by the Infrastructure Team of The Urban Unit (GoPb) to assess the facilities, find the gaps and improvement points along with the conceptual layout, estimated costs and proposed development schemes through rigorous and vigorous field and facility surveys of all the 3 Districts in the Sahiwal Division. For achieving this goal, various Day Care Centers were visited.

**Methodology Adopted**

Following approach was adopted to attain the vital set objectives and targets of field assessment and other tasks for short term, medium term and long-term regional plans;

- Meetings and discussions with the key stakeholders
- Field surveys, facilities observation, inspections and required measurements
- Interviews of the users
- Discussion with the Day Care In charges
- Gaps and issues assessment
- Proposed interventions in terms of estimated cost, conceptual plans and proposed schemes

**Locations of Surveys and Facility Visits**

Various facilities of Day Care in the following three (03) Districts were visited during January 2024 surveys;

- 1) District Sahiwal
- 2) District Okara
- 3) District Pakpattan
